Subject: RE: what are other agencies telling citizens about recovery - rehab of residents

We will see if we can find the right people here at State EOC to get some answers....

Subject: what are other agencies telling citizens about recovery - rehab of residents

All – can you find out what state and federal agencies are telling residents about precautions to take as they are making re-entry into their homes? Specifically about:

- 1) Mold
- 2) Household Hazardous Waste
- 3) Debris Management
- 4) E-waste
- 5) White goods

Have we heard of any effort by private sector (big box stores) to provide cleaning supplies etc which we might be able to partner with to distribute our message on the 5 above topics?

Monica
